Black? One Nation's Definition.
F. James Davis
"This is a very well-written
book that communicates complex
ideas with clarity and interest. It
is rare, in my experience, for an
academic book written by a social
scientist to be as interesting and
exciting as a piece of fiction. Thu,

with both Indian and black
ancestry. Most Americans seem
unaware that this definition of
blacks is extremely unusual in
other countries, perhaps even
unique to the United States,
